Spotlight on Duchenne Muscular Dystrophy Symposium

11 MARCH 2022

Hilton Double Tree - Marjan Island,
Ras Al-Khaimah, UAE

Dr. Tarek Ibrahim El-Azzabi

MBBCh, MRCPCH, FRCPCH, DCH, CCT (UK)

Senior Consultant Paediatrician in Neurodisability & Neurodevelopment
Sheikh Khalifa Medical City, Abu Dhabi

Dr. Tarek Ibrahim El-Azzabi is a Consultant Paediatrician in Neurodisability, Neurodevelopment and General Paediatrics at Sheikh Khalifa Medical City (SKMC) in Abu Dhabi. He is also a Clinical Assistant Professor of Pediatrics at the UAE University.

Prior to his appointment at SEHA, Dr. Tarek was a Consultant Paediatrician at the Royal Manchester Children's and Worcester Acute Hospitals in the UK. He was also an Honorary Consultant Paediatrician in Neurology at Birmingham Children's Hospital. Dr. Tarek had his basic and higher Paediatric speciality training and CCT in the UK. He has special interests in epilepsy, cerebral palsy and neuromuscular disorders.

Dr. Tarek is a founder member of the Royal College of Paediatrics and Child Health (RCPCH) in the UK. He is an international examiner at the same Royal College membership (MRCPCH) clinical examinations. He is an instructor at the American Heart Association PALS courses and the British Paediatric Neurology Association (BPNA) PET courses. He is a member of many professional bodies including: BPNA, Fellow of the RCPCH in the UK, and the Emirates League Against Epilepsy (ELAE). Throughout his career, Dr. Tarek has had many presentations, quality improvement projects, abstracts and publications in various national and international conferences and indexed peer journals. He is a member of Al Ain Human Research Ethical Committee and is an examiner at the DOH Abu Dhabi for Paediatric Consultant Licensing.
